8 John White	20 Matthew Flynn
9 Chris Abell	21 Oliver Saunders
10 Paul Johnson	22 Alan Woolford
11 Mark Pepall	23 Derek Renton
12 Glen Lavier	24 Tom Stapleton

## DUTY TEAMS AND ROSTER 2012

Duty teams should be at the Club in sufficient time to open the galley, set up and start the first race and stay until 17.00 (on Sundays) for bar duty and to support members wishing to leisure sail.

Duty Teams are not required to start Cruiser Races on Sunday Mornings but it would be helpful if a member of the team could be assigned to assisting the cruisers.

In the event of a person not being able to carry out their duty on the days allocated, they should advise their Team Leader, and swap with another member. Please use the Dutyman online system if possible. Team Leaders should swap with another Team Leader, but not without advising their own team members.

Changes to the Duty Teams or Roster should be notified to the Sailing Secretary.

<u>Series</u>	<u>Races</u>	<u>To Count</u>	<u>Length</u>
Frostbite Handicap Series for Commodores Decanter	7	4	60 mins
Sunday Trophy Handicap Series for Jubilee Trophy	10	6	75 mins

## NOTES ON RACING

### **Race Duration:**

Although the race duration is at the discretion of the Race Officer (taking weather & safety into account), the leading boat should **always** finish as close to the stated duration as possible.

Pursuit races are always a set duration and all Cruiser races are Pursuit.

### **Sailing Instructions:**

Are printed in this Fixture List. Members are reminded that they must inform the Committee, by writing to the Membership Secretary, if they wish to change ownership of a boat or bring a new boat into the Club.

### **Handicap Races:**

All races, except Pursuit Races, where the outcome is determined by application of a Portsmouth Number (PN) or a Personal Handicap (PH), shall be scored on the basis of Average Lap Racing (ALR) as outlined in the RYA Portsmouth Yardstick System.

### **Novice Races:**

The intention of these Sunday afternoon races is to allow less experienced members to race against each other. A Novice is defined as *“A member with less than 2 years sailing experience at start of the season **and** who has a personal handicap of 300 or more.”*

### **Liability:**

Neither the Club, nor any of its Officers, shall have any liability in respect of any loss or damage sustained by competitors, crew, boats, gear or property. Entry for any of the Club sailing events shall be taken as acceptance of these conditions. The decision to participate, or to continue in a race, is solely that of the participant.

### **Safety and Buoyancy:**

Members are strongly advised to wear personal buoyancy. Cadets are required to wear personal buoyancy at all times while sailing. All boats should be fitted with adequate buoyancy.

### **Insurance:**

Members are advised that it is a requirement of the Sailing Instructions that boats sailing in club races must be covered by third party insurance liability for not less than £1,000,000.

### **Cancelled Races – 20% Rule:**

If 20% or more of races in a series are not sailed on account of adverse conditions, then the number of qualifying races to count will be reduced by one. However, this rule does not apply to 3 race series.

## RULES GOVERNING THE AWARDING OF TROPHIES

Points are awarded to a helm sailing a particular boat only in the Sunday Trophy Series. For all other series, points are awarded to the helm. Such helm may sail one or more dinghies approved by the Sailing Committee.

Two handed boats may be sailed single handed in the Saturday Points, Wednesday evening, Winter Series and Frostbite Series. An adjusted PH or PN will apply. The helm must record that he is sailing single handed on the declaration sheet when signing on.

When members are on duty they will be awarded 4 points for the races that are run on the day of their duty provided they attend the duty.

**THE OPENER SHIELDS** – Awarded to the winners of both the All-in Handicap Dinghy Race and the Cruiser Race. Held on the first sailing day of the new season. The Opener Shield for Cruisers (presented by Joan Lewis in memory of Cyril Lewis.)

**SUNDAY TROPHY** -The Sunday Trophy is competed for within the All in Handicap Sunday Series by the following Classes: British Moth, Solo, National 12, Laser & Handicap

**TEA TRAY** (Presented by Harry and Betty McAusland) This is a Personal Handicap (PH) Series.

**BROUGHTON SALVER** - Personal Handicap Series based on Wednesday evening races.

**ROBERTS TROPHY** - Awarded to the winner of each of the class races in the Sunday Trophy Race and the Cruiser Race on the Sunday specified in the Fixture List.

**LADIES CUP** -Awarded at the Ladies Regatta. Open to all lady members, other than cadet members. Any crew is allowed.

**CADET CUP AND JUNIOR CADET CUP** - Awarded at the Cadet Regatta: the Cadet Cup (engraved 'St. Olaves Regatta 1890') to the winning helm who, as well as their crew (if applicable,) is under 18 years of age; the Junior Cadet Cup to the winning helm who, as well as their crew (if applicable,) are under 15 years of age. All ages are taken as at 1st January of that particular season.

**CRAIG-WOOD CUP SERIES** - Open to helms who are under 18 years of age on the 1st January of that particular season. The races are held in conjunction with the Tea Tray series. The recorded times of the cadets will be used without any personal handicap loading and ignoring the positions of any adult competitors in the Tea Tray races. Cadets wishing to enter must indicate on the "Signing on" sheet that they are cadets.

**BURDEN SHIELD (NEW MEMBERS RACE)** - Open to any member who has joined the Club during the current or previous season. Any crew is allowed.

**JOHN STRODE SALVER** - Awarded to the helm with the greatest number of first places in races which are open to all helms. This includes the Sunday Trophy Series.

**THE MAYOR'S CUP** - (Presented by Robin Sider) awarded to the winner of the Pursuit Series for dinghies

**THE COMMODORE'S DECANTER** – (Presented by Bob Baker) awarded to the winner of the Winter Frostbite Series

**THE NAUTICALIA TROPHY** – awarded to the winner of the Tera Open Meeting

**THE ENDEAVOUR CUP** – (Presented by Olympic Gold Medalist Sarah Ayton) awarded to the helm considered by the Race Committee to have made the best Endeavour at the Tera Open Meeting

**THE SARAH AYTON CUP** – (Presented by twice Olympic Gold Medalist Sarah Ayton) awarded to the helm and crew with the best score sailing Ayton's Endeavour in the Sunday Trophy Series

**ATTENDANCE BOWL** - Awarded to the helm who sailed in the most Sunday Trophy and Saturday Points races. A helm who wins any other Club dinghy trophy in the same year is not eligible. In the event of a tie, the Sailing Committee will take into account the number of races sailed in the Tea Tray and Wednesday Evening Series.

**DSC CREW'S CUP**- Awarded to the crew (dinghy or cruiser) with the best performance in all competitions.

**NATIONAL 12 CREW'S CUP** - Awarded to the regular crew of the winning boat of the National 12 Sunday Trophy Series.

**CADET SERIES TROPHY** – (Presented by the Saunders Family) to the winner of the Cadet Series.

**NOVICES SERIES TROPHY** – awarded to the winner of the Novice series *‘for less confident sailors’* with a PH above 300.

**LADIES VASE** – (Presented by Dave and Karen Henfrey) Awarded to the winner of the Ladies Series run in conjunction with the Saturday Points Series

**FEVA TROPHY** – (presented by Paul & Zoe Handley) awarded to the winner of the Feva Open Meeting.

### **CRUISER TROPHIES**

**MICHELLE CUP** (Presented by Des Jeffery) awarded to the Cruiser helm who sailed in the most Cruiser races.

**PETER REED BOWL** Awarded to the winner of the Long Distances Series for Cruisers.

**CRUISER SERIES CUP** Awarded to the winner of the Early Summer Series

**PORTO HELI NAVY DAY CUP** (Presented by Alan Woolford) Awarded to the winner of the Late Summer Series.

**FROSTBITE URN** – (presented by John & Iris White) to the winner of the Cruiser Winter Series

**COMMODORE’S VASE** (Presented by Bob Baker) Awarded to the winner of the last race of the Late Summer Series.

**IVAN DODDS TROPHY** Awarded to the winner of the Competition for Cruiser Handling under Power.

### **SPECIAL PRIZES**

**BETTS TROPHY** - Awarded to the most improved sailor over the course of the season, measured as the percentage reduction in PH by a sailor who has qualified for a race series, excluding the Long Distance Series and the Winter Series.

**BIRCH CUP** – (Presented by Gordon Birch) Awarded by the Management Committee to an adult member for contribution and endeavour both on and off the water.

**CAPTAIN’S CUP** - Awarded by the Commodore after consulting the Club Captains, to the member who is considered to have done the most to promote the Club during the year

**COPE TROPHY** - Awarded by the Management Committee for contribution to social activity at the club.

## **SAILING INSTRUCTIONS FOR CLUB RACES**

Valid From 1st January 2012

All races will be held under the rules of the ISAF, RYA and the specific rules of each Class concerned with the exception of:

ISAF	Rule 26	Starting signals
	Rule 29	Recalls
	Rule 31 and 44.1	Touching a mark
	Rule 32	Shortening course
	Rule 35	Time limits
	Rule 41	Outside help

Specific reference will be made in the following Sailing Instructions by heading notation.

### MINIMUM NUMBER OF STARTERS

There must be a minimum of 2 starters for each race.

### ENTERING DECLARATION

The helmsman must legibly sign the appropriate entry declaration on the start sheet before the race. Failure to do so will mean that the boat is not in the race and its times will not be recorded. Where two races are sailed back-to-back, only one declaration is necessary.

The signature is to declare the following:

1. A valid Environment Agency licence is displayed on the vessel entered.
2. The helm can produce a valid class certificate and the boat entered, conforms to all requirements of its class rules.
3. The boat owner has third party insurance cover for at least £1,000,000.
4. That if using a club boat the appropriate fee has been paid.
5. The boat intends to compete fairly.
6. Whether the boat is to be sailed singled handed or that a spinnaker is being carried for intended use.

In exceptional circumstances you may ask a representative to sign on for you. In this circumstance you are deemed to have made the declaration above via your representative.

### SIGNING OFF DECLARATION

There is no requirement to sign off after a race is completed, unless the boat intends to retire from that race. In the absence of a retirement declaration or protest against the boat, all boats that have signed on and that finish the race are deemed to have completed the race.

**STARTING AND FINISHING LINE** This is formed by bringing into line the two white posts with red triangular top marks at the clubhouse end of the start line, except when a committee boat is in use or other details given at a Briefing.

## CLASSES AND THEIR FLAGS

National 12	Code Flag T
Solo	Code Flag A
British moth	Code Flag E
Handicap	Numeral Pennant 1
Laser	TBA
Cruiser	TBA

STARTS (Rule 26 amended – Times shall be taken from the sound signals)

Time of start - As printed in the fixture list or in exceptional circumstances as posted on the notice board.

Signal	Flag	Sound	Minutes before start
Warning	Class flags raised	1 sound	5
Preparatory	P flag raised	1 sound	4
One-minute	P flag lowered	1 sound	1
Start	Class flags lowered	1 sound	0

The warning signal for each succeeding class shall be made with or after the starting signal for the preceding class

In the event that a boat is on the course side of the line after the one-minute sound signal the vessel must sail to the pre-start side of the line without any rights of way before starting. The Race Officer will TRY to inform the boat of its status but the onus is on the helm to comply and failure to do so will result in disqualification unless he retires.

Boats not racing, or not under a warning signal, are requested to keep clear of those that are. Boats not racing are requested to allow the race officer a clear view of the start / finish line. This applies particularly to boats launching and landing.

## SPLIT STARTS

When more than 15 entries are received, the fleet may be split into 2 sections. The two starts will be split into approximately equal sections by sail number or handicap number or by picking an A or a B out of a hat as appropriate.

If a split start is used, a board bearing the letter X will be displayed on the race box. Numeral pennant 1 will be used as a class flag for the first section and numeral pennant 2 will be used as a class flag for the second section.

In the event the race officer decides to introduce a split start without a briefing (i.e. after boats are on the water) the following shall apply:

First start (numeral pennant 1, fast fleet) Boats with a PY of 1156 and under.

Second start (numeral pennant 2, slow fleet) Boats with a PY of 1157 and over.

## RECALLS

### Individual Recall (Rule 29.1 amended)

In the event that any part of a boat or its equipment is on the course side of the line at the start signal, the Race Officer will immediately sound a second sound signal and will TRY to hail the number on any such boat. The vessel must return to the pre-start side of the line without any right of way before starting. If any boat fails to return it will be noted on the race sheet and her lap time will be counted from the moment she crosses the line correctly. This may be the next lap.

### GENERAL RECALLS (Rule 29 amended)

A general recall shall be indicated by hoisting the 1st Substitute Code Flag, and sounding a sound signal twice. The re-start will then take place 1 minute after the 1<sup>st</sup> Substitute Flag is lowered, unless there is another race or second section of the same race scheduled to take place after the start in question, in which case the re-start will take place 5 minutes after the last start.

### TOUCHING A MARK (Rule 31 and 44.1 amended)

If a boat touches a mark surrounded by navigable water, she may exonerate herself as follows:

Complete the rounding of the Mark, leaving it on the required side and thereafter re-rounding it or re-passing it without touching it, as required, to sail the course in accordance with rule 28.1, (Sailing the Course) and DSC Sailing Instructions.

### SHORTENING COURSE (Rule 32 amended)

All races except pursuit races, are finished using the Shorten Course signal.

Flag S will be displayed together with the Code Flag of the Class whose course is being shortened or finished and a sound signal sounded twice (normally when the leading boat is in the vicinity of the penultimate buoy.) As soon as the signal has been given each boat in that Class will be finished, irrespective of the number of laps completed. As they cross the line the sound signal will be sounded once.

In the event of a split start all boats are finished as if there had been only one start.

In exceptional circumstances the Race Officer may shorten course on a boat, other than the leading boat, to avoid some boats having to sail a further lap in failing light or wind.

*Note: In Trophy races the shorten-course flag will normally be raised separately for each individual class. In some circumstances more than one Trophy race may be shortened at the same time in which case all respective class flags will be hoisted over the Flag S. In exceptional circumstances all Trophy races may be shortened at the same time in which case the Flag S will be raised alone.*

## TIME LIMITS (Rule 35 addition)

The time limit will be the intended duration of the race plus 15 minutes. In the event of any boat being unable to complete the course within the time limit, or if at least one boat finishes within the time limit but other boats are unable to finish within 30 minutes of the first boat finishing, the Race/Sailing Committee may at its discretion use the previous completed lap times.

## OUTSIDE HELP (Rule 41 amended)

In addition to the rules 41 (a) and (d) a boat sailing in a race may receive help after a capsize or being stranded on the river bank and will be allowed to continue racing.

## RETIREMENTS AND DISQUALIFICATION

Unless disqualified by a protest committee or the Sailing Committee for unfair sailing, a boat not completing the course correctly will be deemed to have retired and her helm should sign off as such.

## SCORING SYSTEM - CLUB RACES

First: 1 point Second: 2 points Third: 3 points Fourth: 4 points etc

### In addition :

In a series that is held for a period of time longer than a regatta a boat that came to the starting area and whose helm has signed the declaration sheet but did not start (DNS), did not finish (DNF), retired after finishing (RET), or was disqualified (DSQ) shall be scored points for the finishing place one more than the number of boats that came to the starting area.

A boat that did not come to the starting area (DNC) shall be scored points for the finishing place one more than the number of boats entered in the series.

## PROTESTS

Protests in writing must be handed to the Race Officer, together with the protest fee of £1 within 30 minutes of completing the course or withdrawing from the race. The Race Officer at his discretion may extend this in special circumstances. Protests will be heard at the clubhouse as soon as possible after the race.

## PORTSMOUTH YARDSTICK SCHEME

The Portsmouth Yardstick Scheme as set out in the current YR2 will be used. Portsmouth Numbers (PN) will be those published by the Sailing Committee prior to the start of each race or as posted on the notice board. PNs applicable at the start of the season are shown in the Fixture List.

Yachts without PNs published in the current YR2 will be allocated numbers by use of the Trial Numbers method described in the current YR2.

PNs may be adjusted by the method set out in the current YR2 periodically at the discretion of the Sailing Committee.

## **PERSONAL BUOYANCY**

It is a requirement that whilst sailing that all cadet members wear personal buoyancy jackets.

<b><u>BUOYS</u></b>	<b>Bank</b>	A DSC buoy placed between 70 and 300 yards (approx.) downstream from From the entrance to the Desborough Channel
	<b>Club</b>	A DSC buoy near the clubhouse.
	<b>Manor</b>	A DSC buoy near or downstream from the manor house.
	<b>Desborough</b>	A DSC buoy placed between Club and Bank.
	<b>Walton</b>	A DSC buoy placed in the vicinity of Walton Bridge.

## **COURSES**

The course letter for class races will be displayed on the front of the race box. It is a requirement of all Long Distance races that they reach and sail a course in the vicinity of Halliford Bend. In the event that a finish at the club house line is not practical, a finish line between Walton Bridge and the clubhouse must be established.

- A.** All buoys to port. Upstream start to Bank(R), to Club(P), to Manor(R), to Club(R), to line.
- B.** All buoys to starboard. Upstream start to Bank(R), to Club(R), to Manor(R), to Club(P), to line.
- E.** All buoys to port. Upstream start to Bank(R), to Club(P), to Walton(R), to Club(R), to line.
- F.** All buoys to starboard. Upstream start to Bank(R), to Club(R), to Walton(R), to Club(P), to line.
- G.** All buoys to port. Upstream start to Bank(R), to Club(P), to Manor(R), to Club(R), to Manor(R), to Club(R), to line.
- H.** All buoys to starboard. Upstream start to Bank(R), to Club(R), to Manor(R), to Club(R), to Manor(R), to Club(P), to line.
- M.** As B course, but the Bank buoy is rounded to port.
- N.** As H course, but the Bank buoy is rounded to port.

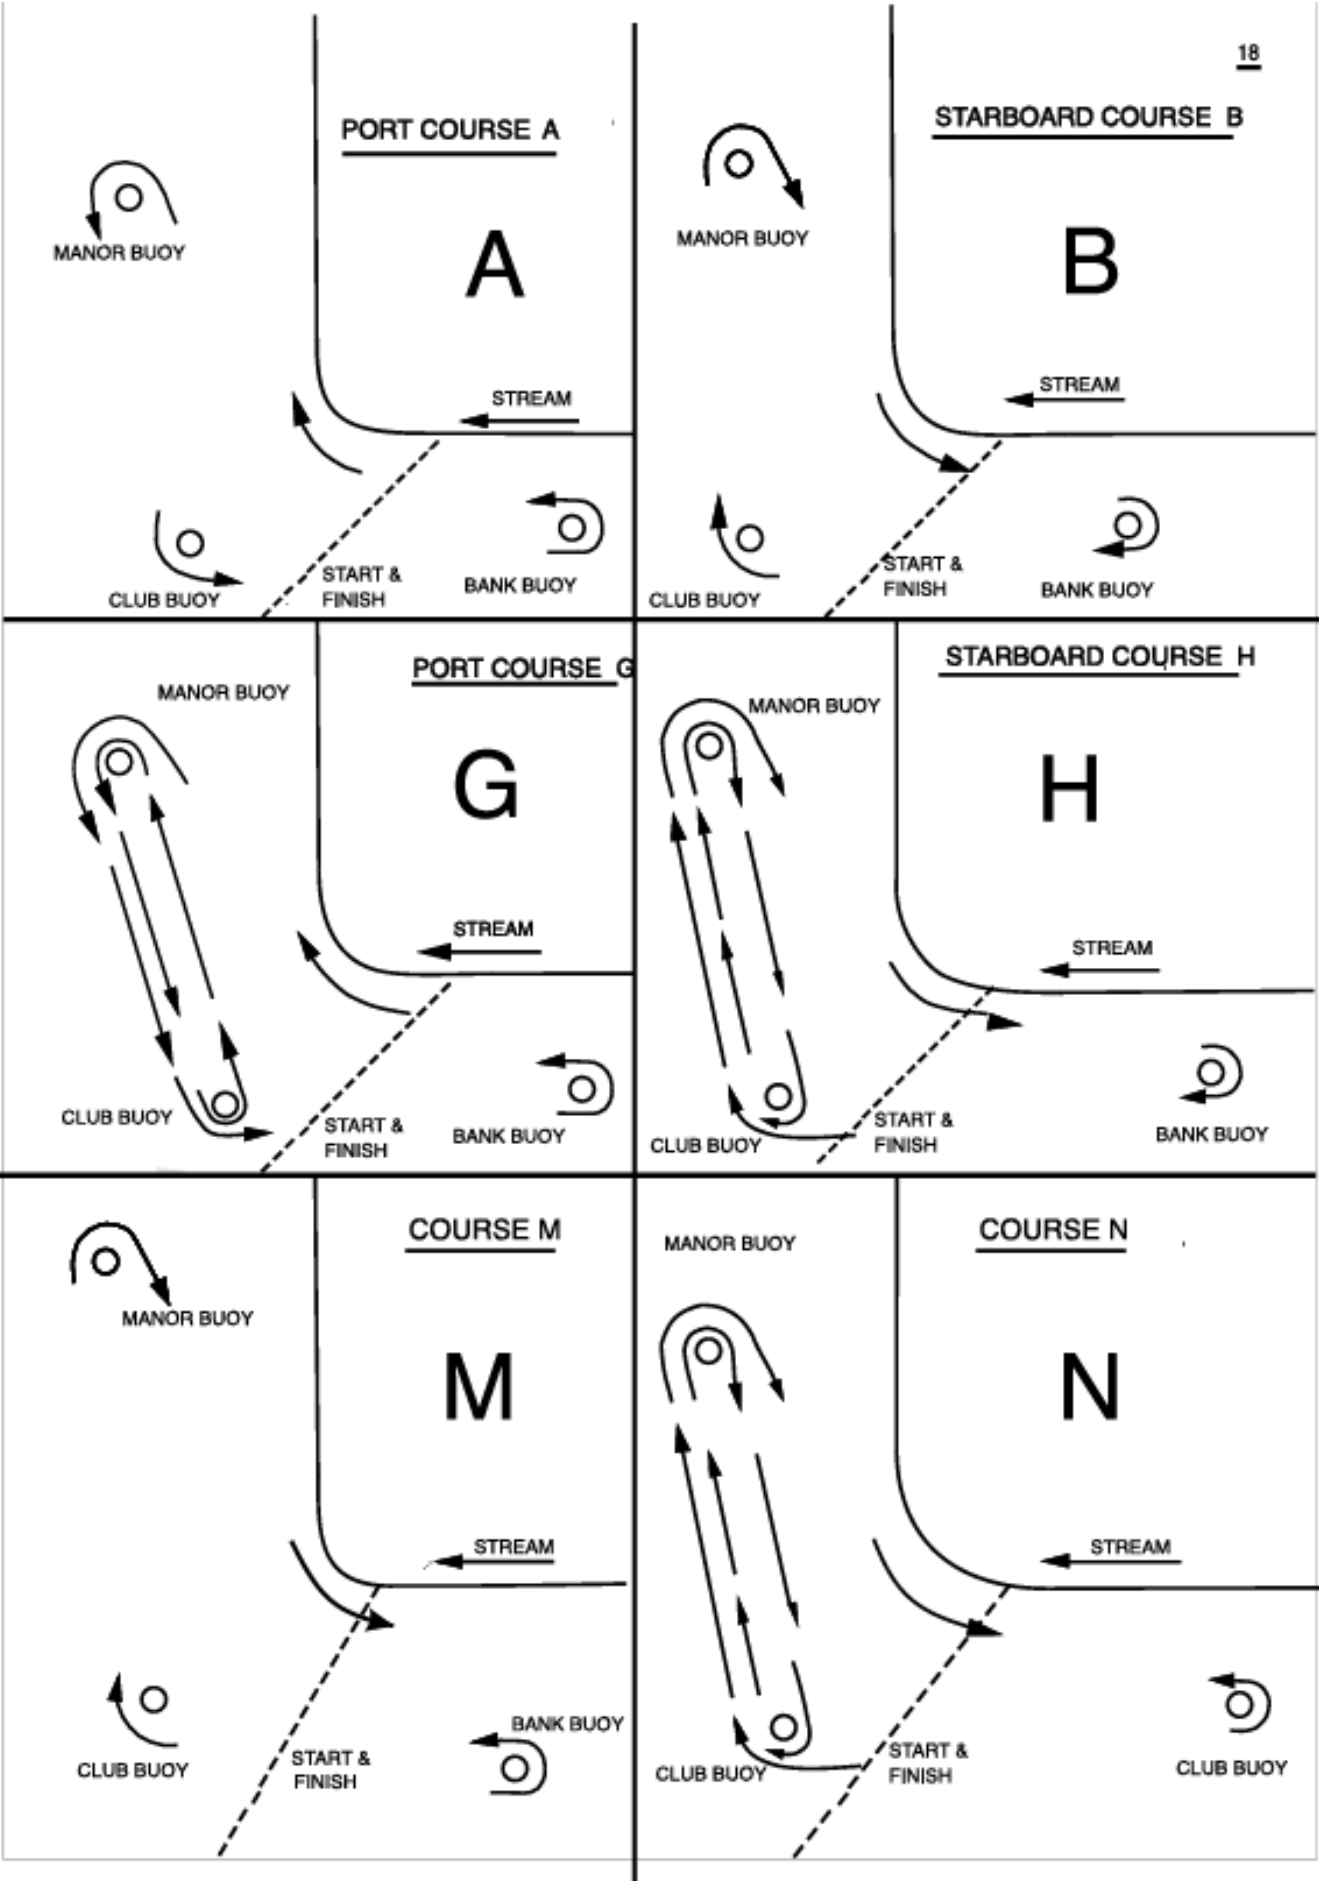

Note: Courses M and N are useful when a strong stream is running.

**Y.** Letter Y in conjunction with another letter indicates that the course is modified to include the Desborough buoy, which must be passed to starboard on the upstream leg, but is not a mark of the course on the downstream leg.

**Z.** Special course - details displayed on the club board near the race box.

N.B. (P) and (R) indicate whether a buoy is to be passed or rounded.

Note to Race Officers: Courses should be set with due consideration to the sailing conditions. In particular, care should be taken to avoid creating legs in significant wind shadow. This may require buoys to be sited away from their "normal" positions or a special course selected.

## CLUB BOATS

The Club has several boats which members may use:

- 3 RS Visions
- 6 RS Teras
- 2 RS Fevas
- 1 Laser
- 3 Toppers
- 1 Pico

Reserve your boat by contacting the Dinghy Boatswain, see a member of the day's Duty Team, or reserving it in the Dinghy Boat book on the bar.

Costs:

£7.50 per 2 hours/race

£15 per day

Cadets may use Teras free of charge but should pay £2.50 per 2hr/race for other boats

Costs go towards maintenance and purchase of Club Boats.

Please pay the Duty Team, on the bar

Please report any faults or breakages to the Duty Team Leader, the dinghy boatswain or Vice Commodore for repair.
